

We are growing!

Check out our exciting job opportunities

Are you a Boston teen or young adult looking for a summer job?

*Are you interested in working outdoors this summer?
Do you want to help improve your Boston community?*

Speak for the Trees is hiring team leaders and Boston teens for our 6 week summer Teen Urban Tree Corps (TUTC) program. TUTC has been one of our core programs programs over the past 4 years and we are thrilled to run it again this summer. Find out more and apply today at the links below.

Team Leaders are young adults, ages 19-24, who supervise youth in caring for Boston's tree canopy by engaging in tree identification, climbing, plantings, watering and more. This is a paid position of \$17-\$20/hr for 30 hours a week. Find out more and apply on our website.

Are you a Boston teen, ages 14-18, interested in learning how to improve Boston's environment? Join us in caring for Boston's trees, learning about careers in forestry, visiting some of Boston's best green spaces, and more! Paid \$15/hr for 25 hours a week throughout the six-week program.

#TreeTuesday on Instagram

Do you like learning about trees?

Have you been following our newest Instagram series, Let's Talk Trees Tuesday?

Coming at you with regular tree stories, facts, and general information about trees that we are super excited to share with you. [Follow us on Instagram.](#)

Did you know trees can tell time? How do trees know when it's time to bloom? Environmental cues like temperature are able to alter tree hormone balance and enzymes that promote or inhibit growth.

Let's talk about communication. Did you know that trees talk to each other? Trees have evolved to communicate with each other - not through words- but through their roots, noise, and the air.

Two new staff positions

Tree Care Associate

We're seeking a Tree Care Associate to help water and care for trees throughout the city. This is an exciting opportunity to work outdoors in the community, building and sustaining Boston's urban forest. The Tree Care Associate will be supplied with a pickup truck that is outfitted with a watering tank and pump. As needed, they will also assist at tree planting and giveaway events.

Associate Director

The Associate Director will direct and oversee programs. Working closely with the staff, they will oversee the daily operations of current projects, the development of new projects, the evaluation of current projects, the creation of metrics for project assessment and will assist in collaboration across the organization and in ensuring that projects are on schedule and on budget.

--	---	--	---

At Speak for the Trees, we celebrate trees year-round. Arbor Day - the last Friday in April - marks a day of tree celebration across the country. We are proud to host a week-long celebration, Arbor Week, full of events, speakers, giveaways, and tree plantings.

If you're interested in sponsoring the event, we have corporate sponsorship packages available. For more information or to discuss these options or others, please contact Victoria Frothingham, Development Manager, at victoria@treeboston.org or 617-510-1140.

We have trees looking for homes

Do you have a nearby park that could use some trees?
Is your street bare and hot in the summer?
Could your school or local business use some green?

We're here to support community projects that will bring trees to you and your neighborhood.

Please fill out our brief [tree planting proposal form](#) and we'll reach out.
